RENSSELAER UNION NEW CLUB EVALUATION

1. Club Information

- c. *Club Contact's Position, if applicable:* Founder/President
- d. *Phone Number:* (619) 254-2222
- e. *RPI Email Address:* costav@rpi.edu

2. Purpose Statement - In 2-3 sentences, using 3rd person, describe your club's purpose and the benefits to those who join the club and to the Union as a whole:

Turning Point is a non-partisan group that aims to educate millennials about conservative views and values – specifically limited government and capitalism. The organization aims to identify, empower, and organize other activists so the movement constantly is growing. Those who join will gain a greater knowledge of conservative values that will hopefully help them decide which side of the fence to fall on – conservative or not. Our agenda: educate and empower.

3. What are the goals of your organization? What annual or one time activities will you hold/have you held to reach these goals?

We aim to hold activism events such as: tableing, free speech campaigns, debates, registering people to vote, etc. Through these activism events we will be able to spread the message and importance of a free market society as well as the constitutional values we hold dear. We want to re-brand the term conservative so people aren't afraid to stand up for what they believe in and maybe influence those who don't have a strong opinion on such topics.

4. What unique opportunities can your club to bring to campus?

We provide the opportunity for those with our same views to come express how they feel and learn more about topics they are interested in. It also provides those who disagree with conservative values to join and express the way they feel and the ideas they believe in. The club is overall a chance for people, regardless of affiliation, to educate themselves and also express themselves.

5. Has your club held an event that was open to the entire campus?

We have held three open info sessions/open discussion. We had a great turnout for all three, and by the third one we had some pushback and people who came that disagreed but it made for a great back and forth discussion.

6. Please attach three meeting assessments (or email to policies@union.rpi.edu)

- a. *Assessments should include:*
 - i. *Date of meeting*

- ii. *Number attending*
- iii. *Location/time*
- iv. *Meeting Minutes*
- v. *How did you advertise?*
- vi. *Personal evaluation of the meeting's successfulness*

7. Which category would best describe your club?

a. Academic or Professional	b. Campus Programming
c. Club Sports	d. Greek Life
e. Hobby or Special Interest	f. Multicultural
g. Recreation & Fitness	h. Religious
i. Service & Volunteerism	Visual or Performing Arts
j. <i>Other: Political</i>	

8. What is the membership of your club? What are the class years of the club's members?

We have a little over 50 members, with others interested. The years range from 2021 to 2018, we even have some graduated students who have attended the meetings.

9. Who are the leaders/officers of your club and what are their responsibilities?

President (Nessa Costa)

- Presides over meetings of the organization
- Calls meetings of the organization
- Facilitates officer meetings
- Appoints committee chairs and/or appointed officer positions

Event Coordinator (Jaime Cleasby)

- Plans and executes outreach initiatives
- Maintains relationships with like-minded groups on campus

10. How will you grow and retain your club's membership?

Staying active and holding meetings regularly. Also having discussions and debates via social media pages when we aren't actively meeting in person.

11. Why are you pursuing recognition?

We want to be able to hold events on campus and promote our values. There isn't yet a conservative group on campus, however there is a liberal/socialist group (YDS) so we want to be able to show people the other side of things and not only hear things from the

perspective of liberals. We want to be able to prove speakers and events that are tailored towards the conservative side of things, so those who are currently conservative or looking to affiliate will be able to decide for themselves with all the information possible.

12. Are you affiliated with an off-campus or national organization?

Yes, Turning Point is a nationwide organization. Please reference tpusa.com for more information.

13. Does your club intend to request a budget in the future? If so, what things would be requested (instructors, equipment, rental fees, etc.) Please be aware that recognition must be granted a semester in advance of a request for a budget.

Meeting Evaluation – Turning Point USA

Date of Meeting: 9/4/17

Number attending: 20+

Location/time: Game room in RPI Union 9:00 PM

Meeting minutes: 60 minutes

How did you advertise?: Facebook group/page; Instagram; e-mail; word of mouth

Evaluation: I was very happy with the turnout of the first meeting. There were a lot of people who I have seen before within the Facebook group, so it was awesome that they showed up. The meeting went well; we discussed the goals of Turning Point as a whole and specifically on campus. We then opened up to a discussion on any topic people wanted to bring up. Our next meeting is this Wednesday and hopefully we have more people who aren't as likeminded so the discussions can get a little more interesting and we can see other points of views.

Date of Meeting: 9/6/17

Number attending: 20+

Location/time: Living room of RSE House

Meeting minutes: 60 minutes

How did you advertise?: Facebook group/page; Instagram; e-mail; word of mouth

Evaluation: A lot of people who attended the first meeting also attended this meeting. However, we did have new faces which was so nice! I didn't expect anyone else to come, let alone people come for a second time. This meeting was held in RSE because the secretary of our chapter is in RSE, and since the Union was a little loud and small we thought it be best to do it in RSE. We spent a little bit talking about the goals of Turning Point as a whole and then watched some videos. We also went a little over DACA since that day it was a huge current event in the news,

and not a lot of us knew exactly what it was. So that was helpful and it was interesting hearing more views/opinions.

Date of Meeting: 10/26/17

Number attending: 20+

Location/time: Mother's

Meeting minutes: 60 minutes

How did you advertise?: Facebook group/page; Instagram; e-mail; word of mouth

Evaluation: A lot of people who attended the first meeting also attended this meeting, as well as the first two. We did have a lot of people come who didn't agree with the message we were sending and were almost attacking us. We were called "alt-right" and "racist" by these people. They clearly were liberal (as they said) and only came for the purpose of stirring up trouble. There were some people who did genuinely want to know more about the club and were respectful, which was awesome. We spent the first 20 minutes talking about the goals of Turning Point and the next 40 minutes in a debate style.

- Approved Reserves
- Not Approved Contingency

November 14, 2017

Dear Rensselaer Union Executive Board,

We are asking to reallocate \$2,000.00 from Goal A, Program 3, Line 557, to Goal A, Program 2, Line 557, the reserve for new wireless equipment for the Playhouse. We would like to use this money to purchase digital wireless equipment.

Two years ago, an expansion kit for the multiprocessor was budgeted for as a two year, \$1,000 per year, reserve item (Goal A, Program 3, Line 557). These expansion kits have since been discontinued by the manufacturer and are no longer available for purchase from any vendor we could find. Here is a link to the product on B&H's website (https://www.bhphotovideo.com/c/product/1070859-REG/rane_exp2x_dante_expander_for.html), B&H being an RPI preferred vendor.

The other reserve that matured this fiscal year is the program for new wireless microphones that are FCC compliant. Three years ago, we started a reserve that accrued money to replace 5 wireless receiver/transmitter pairs that are soon to be illegal to operate, due to the FCC selling of frequencies in the 600MHz band. T-Mobile has announced that they will roll out on the 600MHz band "by the holidays," meaning that we will not be able to use these 5 channels of wireless for our spring musical. Luckily, the manufacturer of the wireless microphones in question, Shure, is providing rebates to customers who purchase wireless to replace their 600MHz gear with new Shure equipment. These rebates will be valid until April of 2018.

We would like to purchase Shure ULX-D equipment. The key feature in the equipment is that the receive support Dante, a digital audio protocol. Support for Dante is *crucial* to any new audio equipment that we purchase. As you know, we have a large audio reserve maturing for Digital Audio equipment maturing in two years. If we chose to buy equipment that is *not* Dante compatible, we will have to purchase more expensive equipment when the next reserve matures. Specifically, we'd have to buy a stage box that would only function to convert the analog signal out of the microphone receivers to a digital one (that protocol being Dante). The next benefit to purchasing ULX-D equipment is a \$500 rebate per channel of 600MHz returned. If we buy at 5 wireless transmitters (microphones) and 2 quad-receives (the only ones that are Dante compatible), we would take advantage of a \$2500 rebate that we will not be able to take advantage of after April 2018. These rebates were not announced until after this reserve account was created.

Our reserve account (contributions from Playhouse Goal A, Program 2) contains \$4,500 specifically allocated for new FCC compliant wireless equipment. The rebates provide an additional \$2,500 (\$500 per channel of wireless) worth of funds, in the form of a check cut to the Union after the new wireless equipment is purchased, and the old equipment is returned to the manufacturer.

This has no impact on future budgets.

Thank you for your consideration in this proposal.

Sincerely,

Bryan Johns
